PARTNERSHIPS

Advanced Microwave Engineering

- We are the exclusive partner here in the USA
- RFID based Vehicle to Pedestrian, Vehicle to Vehicle anti-collision systems
- Active Safety and accident prevention systems, with incident recording capabilities

Ascorel USA

- We are the exclusive partner here in the USA
- Weighing Systems for mobile equipment

Arcure Blaxtair

- We are the exclusive partner here in the USA
- Pedestrian detection device for mobile industrial machinery
- Unique detection technology that only raises alarm when pedestrians are present

Cableform Inc.

- Optimizer Magnet Control
- DC Solid State Crane Controls
- Solid State DC Contactors

Elettrotekkabel

- Festooning Cable
- Reeling Cable
- Powertrak Cable
- Industrial Cable

Gleason Reel Corp.

- Electric & Hose Reeling Systems
- Powertrak Systems
- Festoon Systems

Grace Engineering

- GracePorts
- Tempcovers
- Thru-Door Voltage Verification

Hubbell Industrial Controls

- Radio Controls for overhead cranes, moving equipment
- Industrial thruster brakes
- EC&M
- Euclid

Irwin Car & Equipment

- Atlas Car Products
- Phillips Products
- AGV Systems
- Crane Wheels

Integrated Mill Systems

- Control Systems Engineering for the steel producing and processing market
- Consulting
- Installation

LASE

- We are the exclusive partner here in the USA
- 1D, 2D, 3D laser measurement solutions
- Industries served: Steel, Mining, Ports, & Waste

Maxi Signal Products

- Industrial LED Lighting
- Crane Lighting
- Strobe Warning Lights

Orlaco Camera Systems

- Camera Monitoring systems
- Vision solutions for cranes and heavy equipment
- Develops all products in-house

Rees Inc.

- Cable/Rope Operated Switches
- Single & Double Plunger Push Button Switches
- 22.5mm & 30.5mm Control Units

Remke Industries

- Cord Connectors, Cable Glands, & Wire Mesh Grips
- Molded Connectors & Cordsets
- Remke Energy Products
